

Insight into WeRateDogs

By Ahad Alotaibi

WeRateDogs is a popular Twitter account that rates people's dogs with humorous comment about the dog. WeRateDogs asks people to send photos of their dogs, then tweets selected photos rating and a humorous comment. Dogs are rated on a scale of one to ten, but are invariably given ratings in excess of the maximum, such as 11/10, 12/10, 13/10, etc. These ratings seem to make no sense. But why do they even exist? Because "They're good dogs Brent". This is a famous quote from Twitter account @dog_rates during a celebrated exchange in which a person taking issues against their rating system. However, their unique rating system is big part of the popularity of WeRateDogs. The Twitter account has nearly 9.3 million followers as of February 2018.
